

B. C. S. Bulletin to Old Boys

Vol. IX. No. 2

Compiler: HL Hall. M.A.

March, 1950

FOOLED YOU? You thought we were going to begin this Bulletin by reminding you to pay your annual fees of \$3.00 promptly, to J. CHURCHILL-SMITH, ESQ., c/o Kavanagh, Hodgson Co.. 315 ST. SACRAMENT ST., MONTREAL, P.Q. But you know we don't have to remind you that the Scholarship payment has to be met, sports and academic prizes at the School to be paid, deficits of the Annual Banquet to be made up, cost of the Magazine and Bulletin to be provided for and the general office expenses to be met. Heavens, no. Old Boys don't have to be reminded of these facts -- that is why membership in the Association is now at a record high: Life Members: 18: Annual Members: 433.

MEMBERSHIP: Many Old Boys state that they pay their annual fees with a smile. We feel that **MARCH, 1950** besides paying with a smile, they may even want to stand up and cheer --- so, we hasten to suggest the following idea to all Old Boys, and especially those between the ages of 17 and 90.

AN EXCELLENT IDEA --- IF CARRIED OUT: Let us assume you left the School at age 17(?), and let us assume you have been paying \$3.00 annual fees (just an assumption) ever since. By the time you have paid 33 1/3 such fees (now, isn't that a coincidence) that amounts to \$100.00 exactly what Life Membership costs) you will be age 50 and a bit. According to all statistics (and the good food you had at B.C.S.) you are good for another 40 years -- and this would amount to a further \$120.00, if you continue to pay annually. Why, that is more than a second Life Membership costs. Well, now, look here, we're not suggesting you take out two such Life Membership: we don't want to overdo this business, one is quite sufficient and we are only too pleased to have you pocket the difference!

ITS BENEFITS: For the rest of your life, you'll never hear mentioned the term 'annual fees'. No matter how you view it, you're the winner. If you die before age 50, it's like making a bequest, without any further fuss or bother on your part, to the finest Association in the world. If you live beyond age 50, it's being in pocket \$3.00 every extra year you live.

So don't delay another year! Rush your cheque for \$100.00 right away to the new address given above.

THANKS: The School is most grateful to G.H. Montgomery ('86-'89). Esq., K.C., for sending a large framed picture, dated June 1895, of a group of B.C.S. Old Boys, and for historical documents and a letter, dated 1861, from Principal J.H. Nicolls of Bishop's University to the Rev. H. Montgomery. The picture is now hanging in the Administration Wing at the School.

REQUESTS: R.L. Young, Esq., has presented the School Library with a set of B.C.S. Magazines which he edited. The first issue, CHRISTMAS 1922, is missing. The Association in undertaking the cost of binding these magazines is asking if any Old Boy who may have this first issue would be kind enough to part with it, so as to make the set complete for the School Library.

Your compiler would be grateful to receive any news of Old Boys for inclusion in the Bulletin and in the Old Boys' section of the Magazine. Some Old Boys may have pictures of events, groups, etc, taken when they were at School, which would be of interest now, and which would tend to enhance this section of the Magazine by their inclusion.

On being called upon to propose the toast to the School, Mr. Pattison stated that after being 26 years at B.C.S. he felt quite at home among so many Old Boys. Tracing the many and varied improvements that had taken place during these years, he concluded by saying it was a great honour to be associated with B.C.S. and that he was proud to be a member of the staff. Davis presented a handsomely inscribed silver cigarette box, with cheque enclosed, to Col. Grier as a mark of their esteem and appreciation of what he had done for them and the School during the 18 years he had been Headmaster. Col. Grier, replying to the toast to the School and combining valedictory remarks and thanks for the gifts he had just received, thanked all who were connected with the School in any way for the support which he and Mrs. Grier had received through the years. Referring to the loyal support he had received from his staff and stressing growth, stability, variety and tone during the past 18 years, he traced the progress which the School had made and concluded by wishing it further success and greatness.

REMEMBER? (contributed by R.L.E.) Remember the annual skiing holiday sometime in February? The rush after prayers to beg, borrow or -- borrow - equipment?--Finding you have no toe-straps and borrowing a pair from skis that look as though nobody ever uses them?...Off in the bus to Hillcrest, and the unpleasant sag of the covered bridge at Capelton?...The maddening delay that occurs when you go to put on your skis and find that somebody has borrowed the toe-straps?..Out on the hill, noticing the unaccustomed morning slant to the sun -- the surprise with which you note that hockey players can ski too -- the arm-ache from the tows -- and the back-ache ... the inevitable sad figure shuffling back to the inn with a tipless ski .. lunch, and familiar food tasting different ... the fading sun and the cold of the hilltops .. the convenience of snow for butting a cigarette when a master for once makes the top of the tow .. home in a damp, steamy bus ... a long shower, and ... prep?

A PLAY'S TOWARD (contributed by R.L.E.) For a picture of a man hovering on the edge of a nervous breakdown watch the director of a school play at a hockey game two days before the opening. There's the stalwart who plays the Grand Duchess -- on defence. He appears to be wearing his falsies on his shoulders tonight. The opposing forwards make a break there's a pile-up in front of the goal -- the director shuts his eyes -- and now he has a Grand Duchess who can still walk, but with a charleyhorse. And every time there's a "Bish" he can see the fair heroine of the play screaming her feminine treble into a raucous rasp that may break or squeak as she murmurs her sweet nothings on opening night.
